

WLMB's 25th Anniversary Spring Share-a-thon Begins April 1st

Dr. Jamey Schmitz

Dear Friend of WLMB,

Since WLMB signed on the air 25 years ago, never has WLMB been so well positioned for doing the challenging work of evangelism and discipleship. On the 4th of July WLMB plans to complete our Channel 5 to 35 Switch Project by signing on our new broadcast signal which will expand WLMB's broadcast area to reach 2,480,014 people!

I am confident this effort to purchase a new antenna and transmitter will yield untold spiritual fruit. This tremendous accomplishment would not have happened without friends like you!

While WLMB is juggling the construction of our new Channel 35 this summer, we must also inform you about our goals for our 25th Annual Spring Share-a-thon which will be broadcast from April 1-7 and April 9-12. I am pleased to announce that our Spring 2024 Share-a-thon goal is exactly the same as 2023, as it is, once again, \$300,000 that we must raise to meet WLMB's financial need.

Also, on April 8th, we are doing something that we have never done before. We are asking you to join the WLMB Ministry Staff in a day of prayer and fasting as we beseech the Lord to bring a spiritual revival to the Metro Toledo Region, our country, and across the globe.

WLMB has two goals that we must meet in order to sustain and strengthen WLMB's ministry.

Our First Goal: We must replenish the WLMB Programming Fund. Simply put, this fund provides all the Christian and Family Friendly programming that is broadcast on WLMB, 24 hours a day, 365 days a year. WLMB broadcasts 300+ programs each week, and it is the proclamation of the Gospel of Jesus Christ that is at the very core of our mission.

Our Second Goal: In June, WLMB's Production Team will return to the Great Smoky Mountains National Park to film additional video so we may add to the RadiantTV music video library for all our viewers to enjoy as it is broadcast on WLMB, our 180 national affiliates, and our international broadcast partners. As a result of this trip, we know we will be able to complete, once again, another RadiantTV DVD/Blu-Ray set. But for the first time the set will solely feature music videos from America's most visited National Park, the Great Smoky Mountains National Park.

As noted above our Spring Share-a-thon goal is \$300,000. In faith we believe God will bless our ministry through friends like you. However, I am asking you to establish WLMB's 25th Annual Spring Share-a-thon Matching Fund by helping us to raise \$150,000, or 50% of our overall goal, prior to the last day of the Share-a-thon, which is April 12th.

When you donate to WLMB's 25th Annual Spring Share-a-thon Matching Fund by April 12th, I am confident that we will reach our \$300,000 goal. I have no doubt we will double your pledge LIVE on air and it will encourage others to pledge as well! Please consider what you may do by mailing back the enclosed response card or simply using the QR code on the response card to make your pledge to WLMB's 25th Annual Spring Share-a-thon Matching Fund. God bless you and thank you!

In Christ,

Dr. Jamey Richard Schmitz, D.D.

President & CEO
